User Stories

As a guest, I want to search venues by location or name so I can find something near me.

As a user, I want to filter venues by sport type so I can quickly find padel or football fields.

As a user, I want to book a venue for 1 or 2 hours during allowed hours only.

As a user, I want to review my booking before payment to confirm details.

As a user, I want to view my past and upcoming bookings in my profile.

As a user, I want to leave a review only after my booking is completed and confirmed, so I can give feedback on my experience.

As an admin, I want to manage venues and ensure booking logic is enforced.
